An anatomical drawing of the posterior view of a human thigh, showing various muscles and their fibers. The drawing is in a light gray, sketch-like style. Several muscles are labeled with text and arrows pointing to them. The labels include 'M. adutor' at the top, 'M. Semi-membranoso' in the center, 'M. Tensor da fáscia lata' on the left, 'M. Semimembranoso' at the bottom right, and 'M. Biceps femoral' at the bottom left. The entire drawing is enclosed within a thick red rectangular border.
